EXPERIENCE

Graphic Designer

Rebel Athletic / December 2022 - July 2023

Created a variety of marketing materials ranging from event signage and email graphics to bag lookbooks and flyers. My adaptability was tested as I was frequently asked to manage multiple projects at one time. Divided my time between in-office and work-from-home days which honed my ability to manage my own time and deadlines.

High School Art Teacher

Little Elm ISD / August 2023 - March 2026

Taught Art I to students aged 14-18. Art I includes the basic principles of art and design while also covering many historical art periods. Participated in TAEA's VASE (Visual Arts Scholastic Event) every year I've taught with all students receiving the highest marks possible. Started a Fashion Design club.
